

Education & Learning

Rugby with Rodney 3

Like everybody, in between washing his hands and learning new rugby skills, Rodney needs some help with learning other skills and is asking all his friends if they could work through some of his tasks and send them into us or post them to us on twitter...

mike.sage@dragonsrugby.wales

[@DRA_Community](https://twitter.com/DRA_Community)

Good luck & thanks for your help.

Task 1

Like everybody I've been missing my rugby, so I've been watching our Dragons players in last years' Rugby World Cup. Could you write me a story about the World Cup for me to keep please?

Rodney says: "I would love to know about how many teams were in the World Cup and who progressed to the knock-out stages."

Task 2

Countries have different populations (amounts of people living in them).

See below a list of the countries that made the Rugby World Cup semi-finals:

Wales

England

New Zealand

South Africa

Can you tell me how many people live in all four countries and how many rugby players are in each country?

To test you further... can you work out the percentage of people that play rugby in each country?

Task 3

I loved watching the All Blacks in the Rugby World Cup doing the Haka. I would love for you all to research the Haka and post me a video of you doing it in your house or garden!

Rodney says: "Make it fierce and loud with rhythmic movements. I look forward to showing it to our players!"

Task 4

The last Rugby World Cup was in Japan. Can you find out the host cities of all the games and tell me about the stadiums the games were played in?

Rodney says: "When were they built and what was the capacity of each stadium. Which stadium had the biggest capacity."

Task 5

I have been trying to do the Japanese art of Origami – paper folding - but I'm not very good with my big furry fingers. Can you 'Try' and post me some pictures of your Origami?

Rodney says: "I went online for some help. Maybe that would help you too. I need to practice my paper folding skills!"

Good luck / Pwb luc
